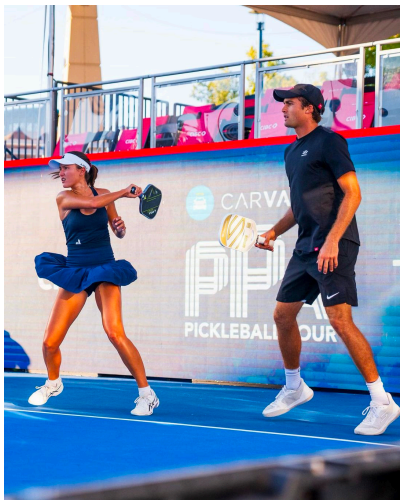
Pickleball Japan Federation

ZIPAIR & Japanet presents "PJF Pickleball Championships 2024 in Japan" powered by DIADEM will be held at Ariake Tennis Forest Park. Top American pros will also visit Japan for the first time. Registration will begin on June 20th. (http://pickleball-japan.org)



The Pickleball Japan Federation ("PJF," Yuko Hayashi, President) is excited to announce the **ZIPAIR & Japanet presents PJF Pickleball Championships 2024 in Japan powered by DIADEM** tournament. The event will be held at Ariake Tennis Forest Park, continuing the legacy of the Olympic Games from December 12th to 15th, 2024 in Tokyo, Japan.

Approximately 500 athletes from Japan, America, Australia, Asia and other countries are expected to participate. Anna Bright and James Ignatowich, currently ranked #2 and #3, respectively, in mixed doubles, will teach clinics as well as participate in exhibition matches! Registration for participation will start on June 20 on the website http://pickleball-japan.org.

PJF aims to convey the joy of pickleball by holding international tournaments and promoting pickleball in Japan in order to foster an inclusive culture that builds connections between people and creates a diverse and happy community. We are deeply grateful to our sponsors for making this tournament possible.
